the goods of the bailor, for the period from 1/2/2012 to 31/3/2013 subject to the following conditions:

1. The bailor shall be a member of the ANU Sailing Club for the whole of the agreed period of storage (which requires SRA membership for non-students).
2. The bailee shall not be liable for any damage, injury or loss of any nature sustained by the goods howsoever arising out of or incidental to the storage of the goods, whether or not the same shall be due or alleged to be due to misconduct or negligence and whether or not the same was caused by an act or omission which was authorised or permitted by or was within the scope of this contract.
3. The goods shall ordinarily be stored in the bailee's Clubhouse, Yarralumla Bay, Yarralumla, A.C.T.
4. The bailee reserves the right to dispose, by sale or otherwise, of the goods that are not claimed within two calendar months after the expiry of the agreed storage period.
5. The bailor acknowledges that neither the goods covered by this contract nor any persons present in the vicinity of the Clubhouse for the purpose of using said goods are insured in the case of damage or injury, and that the provision of such insurance is the responsibility of the bailor.
6. The bailor shall inform the bailee's Clubhouse Officer of any change of address or contact details.
7. The bailor is entitled to a key to the Clubhouse, upon the provision of a \$20 deposit, which will be repaid when the goods are permanently removed from the Club House.
8. This contract remains valid until the bailee permanently removes the goods from the Club House, at which time the bailee is entitled to a pro-rate refund of the storage fee. The storage period may be extended by period of not less than 12 months by payment of an annual fee as determined by the bailee from time to time.

Note: In the past boats have been stored in the clubhouse without use. As space and club utilisation are becoming significant issues the club is adopting a policy of 'use it or loose it'. This doesn't not mean we will confiscate your boat/kayak just because you don't use it. However, if your craft remains unused indefinitely we will contact you to terminate your storage at the club as per 8 above. We expect ANU sailing club members to actually use their equipment at the club, thereby contributing to the life of the club.
